

Dino Damage (daytrotter session)

Miniature Tigers

You gotta let go when they get that old
You gotta let go
Cause if you hold on they'll puncture your lungs
And separate your spine from your skull
You gotta let em go You gotta let go when they get that old
You gotta let go
Cause if you hold on they'll bite your fingers off
And tear you limb from limb
It's second nature to them
You gotta let go when they get that old
You gotta let go
Cause if you hold on they'll tear your stomach open
And rip your guts out with they teeth
You gotta just release
