Beautiful God

Clint Brown

The waves that dance on the ocean
The Mighty eagle soaring so high
The way the earth spins in motion
All of creation testifies

Oh how wonderful
Oh how merciful
Oh how powerful You are
Beautiful God

The waves that dance on the ocean
The mighty eagle soaring so high
The way the earth spins in motion
All of creation testifies

Oh how wonderful
Oh how merciful
Oh how powerful You are
Beautiful God

The heart thatâ€™s no longer broken
The soul condemned
You brought back to life
Darkened prison now opened
All of your children can testify

Oh how wonderful
Oh how merciful
Oh how powerful You are
Beautiful God

Oh how wonderful
Oh how merciful
Oh how powerful
Oh how beautiful

Oh how wonderful
Oh how merciful
Oh how powerful

Oh how beautiful

Oh how wonderful
Oh how merciful
Oh how powerful You are
Beautiful God (10x)
