

# My, My, My

Rob Thomas

The light from the window is fading  
You turn on the night  
The sound from the avenue's calling you  
Open your eyes And when you find  
You're spending your time  
Wanting for words  
But never speak  
You tell yourself  
That the things you need come slow  
But inside you just don't know My, my, my  
Let your bright light shine  
Let your words live on  
Far beyond this life  
Beyond this life Hold on to anything  
Everything's over and done  
Has the fear taken over you  
Tell me  
Is that what you want  
To make up your life
