

Keep Holding On

Glee Cast

La la la la la
La la la la la
La la la la la
La la la la la You're not alone
Together we stand
I'll be by your side
You know I'll take your hand When it gets cold
And it feels like the end
There's no place to go
You know I won't give in No I won't give in Keep holding on,
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you There's nothing you can say
(nothing you can say) Nothing you can do
(nothing you can do) There's no other way when it comes to the truth, so
Keep holding on
'Cause you know we'll make it through, we'll make it through So far away
I wish you were here
Before it's too late
This could all disappear Before the doors close
And it comes to an end
With you by my side
I will fight and defend, I'll fight and defend ya ya Keep holding on,
'Cause you know we'll make it through, we'll make it through
Just stay strong
'Cause you know I'm here for you, I'm here for you There's nothing you can say
(nothing you can say) Nothing you can do
(nothing you can do) There's no other
When it comes to the truth so
Keep holding on
'Cause you know we'll make it through, we'll make it through
Here me when I say when I say I'll believe
Nothing gonna change nothings gonna change destiny
Whatever's meant to be will work out perfectly ya ya ya la la la la la la la la la la la la la la la la

'Cause you know we'll make it through, we'll make it through

(nothing you can do)There's no other
When it comes to the truth so
