

No Harm

Editors

[Verse 1]

I'll boil easier than you
Crush my bones into glue

I'm a go-getter

The system's in red

The room is inbred

I'm a go-getter[Chorus]

Don't hold no harm

Don't hold no harm[Verse 2]

My children despise my wonderful lies

I'm a go-getter

I see through your walls

And your space down your halls

I'm a go-getter[Chorus][Verse 3]

The fever I feel, the fake and the real

I'm a go-getter

My world just expands

Things just break in my hands

I'm a go-getter[Chorus] x2
