

# White Rabbit

## Jefferson Starship

One pill makes you larger  
And one pill makes you small  
And the ones that mother gives you  
Don't do anything at all  
Go ask Alice when she's ten feet tall And if you go chasing rabbits  
And you know you're bound to fall  
Well, tell 'em a hookah, a smoking caterpillar  
Has given you the call  
Call Alice when she was just small When men on the chessboard  
Get up and tell you where to go  
And you've just had some kind of mushroom  
And your mind is moving slow  
Go ask Alice, I think she'll know When logic and proportion have fallen sloppy dead  
And the white knight is talking backward  
And the red queen, she's off with her head  
Remember what the dormouse said  
Feed your head, feed your head, feed your head
