

Love Is Easy

McFly

Do do do do do do
Do do do do do do
Do do do do do do Today I'm laughing the clouds away
I hear what the flowers say
And drink every drop of rain
And I see places that I have been
In ways that I've never seen
My side of the grass is green Oh I can't believe that it's so simple
It feels so natural to me If this is love then love is easy
It's the easiest thing to do.
If this is love, then love completes me
Cause it feels like i've been missing you
A simple equation,
With no complications to leave you confused.
If this is love love love,
Oh it's the easiest thing to do Do do do do do do
Do do do do do do
Do do do do do do Do you, feel the way that i do
Do i turn your grey skies blue
And make dirty streets look new
And the birds sing
twee hee hee hee
Tweedily dee dee dee
Now i know exactly what they mean. Oh I can't believe that it's so simple
It feels so natural to me If this is love then love is easy
It's the easiest thing to do
If this is love then love completes me
Cause it feels like I've been missing you
A simple equation,
With no complications to leave you confused.
If this is love love love,
Oh it's the easiest thing to do Do do do do do do
Do do do do do do
Do do do do do do If this is love then love is easy
It's the easiest thing to do
If this is love then love completes me
Cause it feels like I've been missing you
A simple equation,
With no complications to leave you confused.

If this is love love love,
Oh it's the easiest thing to doDo do do do do do
Do do do do do do
Do do do do do do
Oh this is love love love love
Do do do do do do
Do do do do do do
Do do do do do do
