Hospitality

If you go to sleep, here you'll see
Ghosts in you leg, ghosts in your bed
If you go to sleep, here you'll see
Silence and bumps, silence and bumps By the seaside and sometimes on sad days
Don't even vision beat bent by my hook
Plead a bottom line, ... slimy jaws
While I drew them out, fuck your world Might name me a good girl
Yeah, I bet!
Might name me a good girl
Yeah, I bet! For a fortune I'll ask if you remember me
As the greatest pricks off the world
By the seaside and sometimes on Saturdays
Don't even vision beat bent by my hook
Might name me a good girl
Yeah, I bet!
Might name me a good girl
Yeah, I bet!
