When I saw you this morning, baby, tell me why did you walk away

When I saw you this morning, baby, tell me why did you walk away

Can't believe that you don't love me, thought our love was here to stayNow buzz me, baby, I'll be waiting for
your call

Buzz me, buzz me, buzz me, buzz me, baby, I'll be waiting for your call

If you forgot the number, come on over, you won't have to call at allI never lied to no one, I ain't gonna lie to
you

When I say I'm yours forever, every word I say is true

Buzz me, baby, I'll be waiting for your call

If you forgot the number, come on over, you won't have to call at all
