

# Whisper (feat. Emalyn)

## Crywolf

I won't forget you my love  
You're trapped in my mind  
And I hold you from time to time  
You are a whisper my love  
I feel you inside of the shivers that run through my blood I won't forget you my love  
You're trapped in my mind  
And I hold you from time to time  
You are a whisper my love  
I feel you inside of the shivers that run through my blood I won't forget you my -  
I hold you from time to time  
I feel you inside of my mind It's a quiet voice that no one hears  
It's a silent wish to have no fear  
It's a quiet voice that no one hears  
(Emalyn: I never knew that you could sing so softly)  
It's a silent wish to have no fear  
(Emalyn: I feel you tremble as we're lying down)  
It's a quiet voice that no one hears  
(Emalyn: It's a slow dance, it's a romance)  
It's a silent wish to have no fear  
(Emalyn: Maybe the last thing on my mind)  
It's a quiet voice that no one hears  
(Emalyn: It's grieving, it's leaving)  
It's a silent wish to have no fear  
Have no fear
