I Live For You

Jon Secada

The sunrise within that leads to nowhere
Sometimes I feel that way
But my heart is filled with you inside
When I feel your presence in my mind
I live for you, stay with me forever
Didn't meant to leave you waiting
And so you've heard a vow of love becomes a promise
So here's my promise, I'll always love you
Moments in time with empty feelings
Seems there's nowhere I could hide
And then I found you to make me strong
Now I belong to you

I live for you, stay with me forever
Didn't mean to leave you waiting
And so you've heard a vow becomes a promise
So here's my promise, I'll always love you
Deep in my soul I had to choose
Well now you know the truth
I live for you, stay with me forever
Didn't mean to leave you waiting
And so you've heard a vow becomes a promise
So here's my promise, I'll always love you
