

# I Live For You

[Jon Secada](#)

The sunrise within that leads to nowhere  
Sometimes I feel that way  
But my heart is filled with you inside  
When I feel your presence in my mind  
I live for you, stay with me forever  
Didn't meant to leave you waiting  
And so you've heard a vow of love becomes a promise  
So here's my promise, I'll always love you  
Moments in time with empty feelings  
Seems there's nowhere I could hide  
And then I found you to make me strong  
Now I belong to you

I live for you, stay with me forever  
Didn't mean to leave you waiting  
And so you've heard a vow becomes a promise  
So here's my promise, I'll always love you  
Deep in my soul I had to choose  
Well now you know the truth  
I live for you, stay with me forever  
Didn't mean to leave you waiting  
And so you've heard a vow becomes a promise  
So here's my promise, I'll always love you
