

# Satisfied Mind

## Ozark Mountain Daredevils

how many times  
have you heard someone say  
    if I had his money  
    I'd do things my way  
    but little they know  
    that it's so hard to find  
    one rich man in ten  
with a satisfied mind once I was living  
    in fortune and fame  
    and all that I dreamed of  
    to get a start in life's game  
    then suddenly it happened  
    I lost every dime  
    but I'm richer by far  
with a satisfied mind 'cause money won't buy back  
    the youth when you're old  
    or a friend when you're lonely  
    or a heart that's grown cold  
    the wealthiest person  
    is a pauper at times  
    compared to the man  
    with a satisfied mind
