

# Help You Fly (Eurovision 2016 - Belarus)

Ivan

I will help you learn how to fly, how to fly  
Do you remember when you were younger  
You didn't worry for a day  
Now all the questions and no direction  
They make our reasons insane  
It's time you released yourself  
Before you can let go  
I will help you learn how to fly, how to fly  
Free, leave all the madness behind, far behind  
You feel like you are the poison  
It's time to heal you from the pain  
I know that you've been the hunted  
I want to free you again  
It's time you released yourself  
Before you can let go  
I will help you learn how to fly, how to fly  
Free, leave all the madness behind, far behind  
If I can fly then you can  
If I can fly then you can fly  
If I can fly then you can fly  
If I can fly (If I can fly)  
If I can fly  
I will help you learn how to fly, how to fly  
Free, leave all the madness behind, far behind  
All behind
