

# Have You Ever Been (To Electric Ladyland)

**Jimi Hendrix**

Have you ever been (have you ever been) to electric ladyland?  
The magic carpet waits for you so don't you be late  
Oh, (I wanna show you) the different emotions  
(I wanna run to) the sounds and motions  
Electric woman waits for you and me  
So it's time we take a ride, we can cast all of your hang-ups over  
The seaside  
While we fly right over the love filled sea  
Look up ahead, I see the loveland, soon you'll understand. Make love, make love, make love, make love. The  
angels will spread their wings, spread their wings  
Good and evil lay side by side while electric love penetrates the sky  
Lord, lord I wanna show you  
Hmm, hmmm, hmmm  
Show you
