

Unrequited

[Al Kooper](#)

Kooper You are here with me
Ever since I have been with you
But life is so unkind I know ya know it's true
I'm lovin' you
But he don't know I'm lovin' you tonight Here inside my house
He don't know how much I care
But life is so unjust I know it isn't fair
I'm lovin' you
But I don't know if he's lovin' you tonight Little do we know how much it takes to let the other one
Know how much we care about you
And I can only take so much and then
I've got to just walk away, anyway
You are here with me
Ever since I have been with you
But life is so unkind I know ya know it's true
That love is blind
But love & I can hear the engines whine
Inside of you...
