

Live Every Day (Like It's the Last)

House of Lords

Swallowed up by a hungry city...
Going blind in her neon Light...
All of us are potential victims...
Diriving in her sights. But instead of play it save,
Instead of make it easy,
I'm dancing on my grave,
And staring death in the eye...(Chorous)
You can surrender,
Slip away into the past.
For as long as I can,
I'm-a fight back.
Live every day like it's the last...
Like it's the last!
Live every day, live every day, live every day
Like it's the last! In the arms of familiar strangers...
In the grip of a phantom pain...
We're supposed to accept in scilence...
We exist in vain. But instead of play it save,
Instead of make it easy,
I'm dancing on my grave,
And staring death in the eye...(Chorous)
You can surrender,
Slip away into the past.
For as long as I can,
I'm-a fight back.
Live every day like it's the last...
Like it's the last!
Live every day, live every day, live every day
Like it's the last! I refuse to be a slave
To fear and intuition...
Yeah, to hell with save...
For now I'm alive!(repeat chorous)
