Biker Boy

Chuck Oney

Biker Boy (Words & Music by Chuck Oney)
Tell me what Iâ€™m hearing ainâ€™t true, that youâ€™ve gone & found someone new.
It wouldnâ€™t mean a thing, If I didnâ€™t go & bring.
That goddamn diamond ring for you.

Donâ€™t hurt me or my pride.
Tell me that youâ€™re still by my side.
Tell that Biker Boy that you really donâ€™t need a ride.

Baby donâ€™t you ride away, (Donâ€™t Ride Away)
Tell me that youâ€™re gonna stay, (Youâ€™re Gonna Stay)
Donâ€™t believe his lies or do the X heâ€™s gonna buy, Ok.

My headâ€™s spinning in a whirl.
& where youâ€™ve been, you wonâ€™t tell.
Heâ€™s gonna make you look a fool, Cuz when heâ€™s done with you.
Heâ€˜s going back to his girl

Donâ€™t hurt me or my pride.
Tell me that youâ€™re still by my side.
Tell that Biker Boy that you really donâ€™t need a ride.

Baby donâ€™t you ride away, (Donâ€™t Ride Away)
Tell me that youâ€™re gonna stay, (Youâ€™re Gonna Stay)
Donâ€™t believe his lies or do the X heâ€™s gonna buy, Ok.

I canâ€™t believe itâ€™s over.
The tears Iâ€™ve cried for you.
Youâ€™ve flipped a switch, cold shoulder.
I guess Iâ€™ll start anew.

Ohh,
Baby donâ€™t you ride away, (Donâ€™t Ride Away)
Tell me that youâ€™re gonna stay, (Youâ€™re Gonna Stay)
Donâ€™t believe his lies or do the X heâ€™s gonna buy, Ok.

Baby donâ€™t you ride away, (Donâ€™t Ride Away)
Tell me that youâ€™re gonna stay, (Youâ€™re Gonna Stay)
Donâ€™t believe his lies or do the X heâ€™s gonna buy, Ok.
