

Roll All Day

Ice Cube

I got a full tank of unleaded {repeat x4}Now we could roll all day if I could ride all night

I got a full tank of unleaded

I got a full tank of unleadedI see you walkin' and I'm damn near stalkin'

You a chicken head and I'm chicken hawkin' now we talkin'

'Bout your unlucky background

And how your ex boyfriend is smokin' crack now (why)

I'm very very sympathetic

But baby where you headed?

I got a full tank of unleaded

She got in and had ass for days like

Boom, bam, god, damn!

She ask me would I harm her

No, I'm a charmer

A fuckin' night in shining armor

We went out and had a blast, every time she walked past

Nigga got a quick fast glimpse of that ass

("what cho want to do after this?")

I want to get your titties in my fist

But you want to kiss

Your mouth might taste like dick (ew)

And I grew up on bearin' wit, trickNow we could roll all day, if I could ride all night

I got a full tank of unleaded

I got a full tank of unleadedNiggas that I know don't kiss no hoes

Niggas that I know don't buy no clothes

Niggas that I know don't fuck no pros

Niggas that I know roll foots (?) in fours (yeah)

Pull them panties off your hips

Pussy deep as crips

And 'bout as wide as my grip

Never ever get me with that whipper feel

They got a pants full of black steel

Am I too real?

You like dick I know you do

Want to bring out the hoe in you

I know what you're goin' through

You already think you're cree-al

You should learn to suck this like Vanessa Del Rio

Aw, you thought I was a nice guy

But shit, I was around eight, with bitches gettin' laid

If I wrap my dick in plastic
Now, how wide can that ass get?
It's gettin' drastic Now we could roll all day, if I could ride all night
I got a full tank of unleaded
I got a full tank of unleaded Should of picked up an old girl that I know
That's what I get for fucking with you young hoes
About to get an attitude, what's happenin'?
Baby how you actin'?
Let's get it crackin' (c'mon)
No?
Well then bitch you got to go
I put her ass out, on imperial
Hoe slammed my door, next to Texaco
Kick my lexo, broke my window
Put out my indo
Jumped out and said "bitch are you crazy?"
Fucked around and got lazy
She jumped in my car, took off, now I'm stuck
And all I want to do was fuck
(damn) I had to stroll all day, I had to walk all night
I had a full tank of unleaded
I had a full tank of unleaded
