

# Sinner Man

## Swan Silvertones

Verse Number One:

Long ago...in a parable of old...  
Jesus told of a bruised and battered soul...  
Layin out beside the way...people passed him on that day...  
There was no one to help....a helpless sinner man...Verse Number Two:

A Samaritan was travelin' down that road...  
Saw a shattered life...beneath life's heavy load...  
Bound him up with oil and wine...took him to an Inn that night...  
Gave a helpin' hand..... to a helpless sinner man....The Chorus:

LEND A HELPING HAND  
TO A HELPLESS SINNER MAN...  
PULL HIM OUT OF THIS OLD LIFE'S  
SINKIN' SAND...  
PUT HIS FEET UPON A ROCK  
HELP HIM BACK UP TO THE TOP  
LEND A HELPIN HAND...
