

# Liar

## Living Sacrifice

Worthless, want to be God  
Loser imitation  
Fallen from all grace  
Deceitful lying beast you're bound Lord of maggots, we rebuke you  
Devil, evil, no authority  
Whatever's bound on earth  
Will in Heaven be bound, in Jesus' name Enemy of God, every knee will bow  
Every tongue confess  
Jesus Christ is Lord You're already dead  
Be seen as what you are  
Liar, liar, liar, liar
