We Gon' Fight

Jennifer Hudson

Hands up
If you with me, put your hands up
Hands up
Wait a minute, wait a minute y'all
They told me love was simply not enough
With all that we've been through we should give it up
Why sweat and cry, just leave and make it easy
I told 'em it would hurt me worse but they just don't believe me
Been locked up, bailed out, broke, overdrawn
Stayin' at my momma's house, y'all don't know what I'm talkin' 'bout
Like gangsters we gon' strap up for this war
And I'd die for mine 'cause you're worth fightin' for
Can't nobody tell me bout this here, oh, no
Now let me make it clear, I won't
Let everythin' we've done in the name of us
Done in the name of love be nothin'
So I'm gon' fight for you, you gon' fight for me
I'm gon' fight for you, that's how it's gon' be
We gon' fight
Why trip on conversations 'bout our past?
Like, like we didn't make it, like we didn't man up and take it
Straight up I'm with you, we go back like Philip Bailey
I know I'm crazy, that's how you made me
Been locked up, bailed out, broke, overdrawn
Stayin' at my momma's house, y'all don't know what I'm talkin' 'bout
Like gangsters we gon' strap up for this war
And I'd die for mine 'cause you're worth fightin' for
Can't nobody tell me bout this here, oh no
Let me make it clear, I won't
Everythin' we've done in the name of us

Done in the name of love be nothin'
So I'm gon' fight for you, you gon' fight for me
I'm gon' fight for you, that's how it's gon' be
We gon'
Fight because we should on everythin' that's good, I can't leave
We've come too far to turn back
And to the haters that we shook
Givin' us dirty looks, watch and see

No matter what goes
No matter what stays
Ain't gon' let nobody tear us down
We're goin' all twelve rounds
Let's put 'em up
No, no givin' up
We, we gon' make it just because
We gon' fight for love
Can't nobody tell me bout this here, oh no
Let me make it clear, I won't
Let everythin' we've done in the name of us
Done in the name of love be nothin'
I'm gon' fight for you, you gon' fight for me
Say I'm gon' fight, I'm gon' fight, that's how it's gon' be
That's how it's gon' be
We gon' fight
We gon' fight, holla if you hear me
We gon' fight, this thing is getting rid of me
We gon' fight, put ya hand up if you feel me
We gon' fight
