Where the Streets Have No Name

U2

I wanna run, I want to hide
I wanna tear down the walls that hold me inside
I wanna reach out and touch the flame
Where the streets have no nameI wanna feel sunlight on my face
I see the dust cloud disappear without a trace
I want to take shelter from the poison rain
Where the streets have no nameWhere the streets have no name
Where the streets have no name
We're still building, then burning down love, burning down love
And when I go there, I go there with you, it's all I can doThe city's a flood, and our love turns to rust
We're beaten and blown by the wind, trampled in dust
I'll show you a place high on a desert plain
Where the streets have no nameWhere the streets have no name
Where the streets have no name
We're still building, then burning down love, burning down love
And when I go there, I go there with you, it's all I can doOur love turns to rust
We're beaten and blown by the wind
Blown by the wind, oh, and I see our love
See our love turn to rustOh, we're beaten and blown by the wind
Blown by the wind
Oh, when I go there, I go there with you
It's all I can do
