

# Don't Give A Fuck!

## Suicidal Tendencies

I don't give a shit  
I don't give a fuck  
[Incomprehensible]  
I don't give a shit  
[Incomprehensible]  
We don't give a fuck Your opinion don't mean shit to me  
And your shit is about to fall  
Your rationale isn't rational  
Like bungee jumping off a 6 foot wall  
I don't give a shit Your right and wrong to me is all wrong  
And you'll pay if you do me wrong  
Politically correct means, 'Tag along stupid'  
And I don't ever tag along We don't give a fuck  
[Incomprehensible]  
I don't give a shit  
[Incomprehensible]  
We don't give a fuck What I am is who I am and I'm proud of who I am  
C'est la vie cause change to me comes naturally  
I don't give a shit I ain't afraid of the present, I ain't ashamed of my past  
And my future's locked in real tight  
The guns are loaded and the fists are clenched  
But I've taken up a brand new fight  
I don't give a fuck I don't give a shit  
And I don't give a fuck  
I don't give a shit  
And I don't give a fuck I don't give a shit  
We don't give a fuck  
I don't give a shit  
We don't give a fuck Hip ain't hip and cool ain't cool  
But a fool is definitely a fool  
New ain't new it is just new to you  
But the truth is sad that's true I don't give a shit  
I don't give a fuck  
We don't give a fuck, no
