

After All (the Dead)

Black Sabbath

What do you say to the dead?
Will you forgive me for living?
Can't believe the things that they said
Wonderful day for a killing, it's killing meWhat do they do with your soul?
Is it just lying there busted?
When did you lose all control?
Is there someone to be trusted with my mind?Oh there's insufficient evidence
Of what just might come after
But sometimes out of nowhere
There's demented sounds of laughterAre we all haunted by the ghost imagination
It just can't be, I've seen them there howling at the moon
Is it just me or does somebody else believe this?
Well I'm not alone and I'm not afraid, there's just one way to seeAfter all, after all
After all, after allWhat do you say to the dead?
Is there a place where it's burning?
It says in a book I once read
Yes, there's a chance of returning, turn to meThe fundamental principles say nothing of forever
But those are voices that I hear or I'm just not so clever?
It can't be me, I know somebody else believes this
Well I'm not alone, I'm not afraid, just one way to seeAfter all, after all
Coming after all
After all, after all
After all, after all
