

# You Redeemed Me

## Third Day

I was lost and wondering  
So cold and all alone  
I was blind and could not see  
The way to get back home  
Deep inside I doubted everything I ever known  
Everything I was  
Everything I believed You came on the light of day  
Your love rescued me  
You changed my life  
From the inside  
Oh my Lord, You redeemed me  
You redeemed me  
My debts have all been canceled  
My ransom has been paid  
You turned my fears and failure to a story of Your grace  
You gave me a brand new life now I am forever changed  
Everything I am  
Everything I believed You came on the light of day  
Your love rescued me  
You changed my life  
From the inside  
Oh my Lord, You redeemed me It doesn't matter how far I'm down (You redeemed me)  
It's not too late to turn it around (You redeemed me)  
There's no mountain You can't move (You redeemed me)  
Lord there's nothing You can't do (You redeemed me)  
You came on the light of day  
Your love rescued me  
You changed my life  
From the inside  
Oh my Lord, Oh my Lord  
You redeemed me  
You redeemed me  
You redeemed me
