Tempted

Marques Houston

I think you should know this, yeah
Yo, I'm trying to tell you right
I know you got a man but I'm just trying to say
I guess, I'm trying to say is I'm just tempted to be with you
Yo, check this outNow, baby girl, let me explain to you
Don't you walk away, baby, I just wanna get next to you
I bet ya that your man can't do what I can do for you
And if we get the change girl maybe I could show you, yeahLook I know that you're his girl
But I can't help that I'm feeling you
But it's just this one thing you should knowThat I'm tempted to touch you, tempted to kiss you
Tempted to sex you, tempted to love you
Look I know you got a man but I'm still
Tempted to touch you, tempted to kiss you
I ain't trying to take you from your man, but I'm tempted, temptedNow, I'm not trying to run a game on you
Just wanna make a fantasy come reality
You need to realize that I'm the one for you
And if we get the change girl maybe I'm gonna prove to youYeah, yeah, look I know that you're his girl
I can't help that I'm feeling you
But it's just this one thing you should knowThat I'm tempted to touch you, tempted to kiss you
Tempted to sex you, tempted to love you
Look I know you got a man but I'm still
Tempted to touch you, tempted to kiss you
I ain't trying to take you from your man, but I'm, tempted, temptedYeah, you so fine
I'm just trippin' like
You know, I'm just sayingLook I know that you're his girl
I can't help that I'm feeling you
But it's just this one thing you should knowThat I'm tempted to touch you, tempted to kiss you
Tempted to sex you, tempted to love you
Look I know you got a man but I'm still
Tempted to touch you, tempted to kiss you
I ain't trying to take you from your man, but I'm tempted, temptedI'm tempted to touch you, tempted to kiss you
Tempted to sex you, tempted to love you
Look I know you got a man but I'm still
I'm tempted to touch you, tempted to kiss you
I ain't trying to take you from your man, but I'm, tempted, temptedYo, it's MH, what else can I say, I know you got a man, but uhh
I'm just tempted, you know what I'm saying, I just want to see
What its like, you know, me you, maybe we can get together
And get a bit to eat or something you knowOr maybe we can get together and do something freaky, you know

I dunno you tell me, you know my number, hit me up
Platinum status, what? Platinum status, I don't think y'all heard
I said, Platinum status, [Incomprehensible] oh boy, get real
[Incomprehensible]
