

# Call Me

## Fabulous

Ha ha ha ha ha  
See ma, I think you took it  
I think you took it wrong like  
You got it misunderstood or something  
You got it confused

I'm thinking about the one night we just spent together  
(I mean, when was this ma)  
That I'd cherish the love I thought would last forever  
(I never said that, I never said forever)  
Call me (Na, I don't do this. You already knew this, ma we been through this)  
Call me (Na, I can't do that once I done blew that. Ma, we been through that)

Girl, that was a one night fling  
You was turned on by the moonshine and the sunlight bling  
You kept licking your tongue at me knowing how quick that this young'n be  
To pull out his dick from his dungarees  
Besides, we had enough liquor and jumatries  
That both of us woulda got sick or had lung disease  
I remember every gesture made (ooh)  
During the escapade (ooh)  
In the back of the Escalade (whoa)  
When it come to tricks, I have some up my sleeve (uh huh)  
But Shorty dived in head first and didn't come up to breath (shit)  
I usually don't get to rag um (uh)  
But it's so real, I made the caddy chauffer hop out and get the magnums (uhhhh)  
We getting close the Park of Meridian (uh huh)  
She pulling her skirt down (uh huh)  
And tucking her titties in (uh huh)  
I'm walking this biddy in (uh huh)  
Caressing her pretty skin  
She say- "I love the video that you n PD in" (yeah right)

I'm thinking about the one night we just spent together  
That I'd cherish the love I thought would last forever  
Call me (Na, I don't do this. You already knew this, Ma we been through this)  
Call me (Na, I can't do that once I done blew that. Ma we been through that)

This girl hobby was to slow me down (uh)  
Got me walking wobbling through the lobby lounge (ohh)

In the pent house blasting Mob Deep and some Bobby Brown (uh huh)  
Do not disturb sign prolly woulda not be found (yeah)  
If there's one thing I'm giving her, it gotta be back shots (uh)  
She screaming like she just won the lottery jack pot (ahhh) (uh)  
At the same time she jerking and wiggling (uh huh)  
Smirking and giggling (ha ha ha)  
'cause I'm like dirt when I'm digging in (uh)  
The way she working and fingering  
She must have be a gymnast  
'cause the positions wasn't hurting her ligaments  
Ma I know you got centerfold measurement features (uh huh)  
But after a night, it was a pleasure to meet ya (uh huh)  
Get ya under and outta where (uh)  
You ain't gotta go home but you gotta get outta here  
So write your number on this paper (uh)  
I might want to scrape ya (uh)  
Next year when I go on TOUR (uh)

Still thinking about the one night we just spent together  
That I'd cherish the love I thought would last forever  
Call me (Na, I don't do this. You already knew this, ma we been through this)  
Call me (Na, I can't do that once I done blew that)

Now I ain't seen Shorty since the spot last summer  
And she still calling and paging (what the fuck)  
I don't even know how she got my numbers (damn)  
But I been hiding (uh huh)  
'cause, this girl looking for the kid like Bush was searching for Bin Laden (damn)  
Before I didn't care if she where I be (ut uh)  
But now I mean it be scaring me (uh huh)  
To get yearly therapy (uh huh)  
She said her heart broken; it caused her to start smoking (uhhh)  
And I was in deep thinking, making her keep drinking (uhhh)  
Since Hiedy started stalking me (uh huh)  
I hadda get body guards to walk with me (yeah)  
If you want to get Fabolous, that's on you, that's on you (okay)  
Long as you know where they at on you (I said okay)  
I'm looking at her was and reactions (uh)  
Hoping that this don't turn into a fatal attraction (ut uh)  
She screaming "fabolous give me one more chance; fabolous give me one more chance"

I'm thinking about the one night we just spent together  
(I mean, when was this ma?)  
That I'd cherish the love I thought would last forever  
(I never said that, I never said forever)

Call me (Na, I don't do this. You already knew this, ma we been through this)

Call me (Na, I can't do that once I done blew that. Ma we been through that)
