

Amigos para Siempre

Ecosound

I don't have to say a word to you
You seem to know whatever mood
I'm going through
Feels as though, I've known you forever
You, can look into my eyes
And see the way I feel and how
The world is treating me
Maybe I have known you forever
Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life not just a summer or a spring
Amigos para siempre
I feel you near me
Even when we are apart
Just knowing you are in this world
Can warm my heart
Friends for life not just a summer or a spring
Amigos para siempre
We share memories, I won't forget
And we'll share more, my friend,
We haven't started yet
Something happens when we're together
When I look at you, I wonder why
There has to come
A time when we must say goodbye
I'm alive when we are together
Amigos para siempre
Means you'll always be my friend
Amics per sempre
Means a love that cannot end
Friends for life not just a summer or a spring
Amigos para siempre
I feel you near me
Even when we are apart
Just knowing you are in this world
Can warm my heart
Friends for life not just a summer or a spring

Amigos para siempre
When I look at you, I wonder why
 There has to come
 A time when we must say goodbye
 I'm alive when we are together
 Amigos para siempre
 Means you'll always be my friend
 Amics per sempre
 Means a love that cannot end
 Friends for life not just a summer or a spring
 Amigos para siempre
 I feel you near me
 Even when we are apart
 Just knowing you are in this world
 Can warm my heart
 Friends for life not just a summer or a spring
 Amigos para siempre
 Amigos para siempre
 Means you'll always be my friend
 Amics per sempre
 Means a love that cannot end
 Friends for life not just a summer or a spring
 Amigos para siempre
 Amigos para siempre
