Smile at Me

Philmore

i love you more than anything i do i want to be
with you in the twinkle of an eye we'll meet you
in the sky then we'll come home with you then we'll come
home with you woah then we'll come home with you woah then
we'll come home with you i love you more than anyting
i do i want to be with you. in the twinkle of an eye
we'll meet you in the sky then we'll come home with
you then we'll come home with you
i want to look into your eyes and see you smile
at me i want to hear you say well done, well done , well done
i love you more than anything i do i want to be
with you in the twinkle of an eye we'll meet you
in the sky then we'll come home with you then we'll come
home with you then we'll come home with you
