You know man, you should know where I come from

You should never wanna go against me
You know man, you too soft for that man

You aint the type of nigga to go against me
You get in my presence you gon' feel like a little hoe
You aint a man yet, you tryna be somebody else
Man, be yourself man, you come around my crib, you get your shit took
Huh, wherever you go, you probably be overseas in Europe and get yo shit took
You's a hoe, you know you sweet
Aint nothing you can do man, people see that man
