

# Crunch Punch

## Julian Casablancas+The Voidz

Survivors I have interviewed and also from all of the historical reading.  
These are patterns. This has happened many times in history Devil's evangelicals have  
Opened my eyes  
He is the creepiest  
Guy in the sky  
Rumors on the radio the DJ is wrong  
He's just a creature who was playing this song And I can't live on a phone forever  
Please just tell them I'm gone good night until tomorrow  
When I made it out somehow  
Cannot pray for you more Policemen get in the face  
Officer down on the scene  
(256? we have an officer down I repeat? calling all cars...) Just repeat what is not true [?]  
We want to tell him what to do  
Can you rescue me  
Everybody want some they can't see Yes I want it for me  
But I want it for you too (Oh yeah DJ Terry) Coming evangelical is bumping my eye  
He is as creepiest in the sky  
Everybody loves him and he kisses your hand  
He likes to preaching and then he sings in a band  
Okay please don't take the bait  
Telling you down in the face  
Don't miss the show okay?  
Why can't I have time I can't live on a phone forever  
We live too far away from everything  
I pray for some things to change  
Your mother is a murderer, trust me I know  
She'll get excited  
Can't beat them it's so hard  
I wanna beat them in my prime
