

Trust Issues (Chopped & Screwed by Slim K)

The Weeknd

All she cares about is money and the city where she's from
Her intention is on paper
She don't need no fucking love
She's spillin' all this liquor tryna pass me all these cups
Well baby girl I'm zonin' somebody should have told her I popped one
F-ck it I popped one
Oh girl I'm on one
F-ck it I popped one
I popped one Girl I'm lying, I'm on a few
Don't you worry this aint new
Can we take this to your spot, I'm on eviction number 2
Cause I popped one F-ck it I popped one
Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah
Trust issues Oooh yeah, Oooh yeah, Oooh yeah, Oooh yeah, oooah Do you know whats going on over here (I do,
I do, I do)
Have you even bothered to look? (I did, Oh did, I did)
Well if you know, than let me know
We don't have to keep runnin' in these circles (in these circles)
No more Trust issues
Trust issues
Trust issues
Trust issues
Trust issues Trust issues, no more
Trust issues, no more
Trust issues, no more
