

# Final Destination

## Mavado

Ya hear mi everybody waan run summa,  
Yuh nuh si mi hot, mi ah done summa ( eh, eh! )  
Every gyal ah gi it weh is a bun summa  
Mi - Mi a de numba one stunna  
Call di hotel fi make my reservation for my Final destination  
Mi a bwoy naw change my direction cause di gyal dem draws fi fly  
Every soundman every radio station black girl white girl every nation  
Mi have di gyal dem inna coroption inna di mansion in the sky  
M-A-V-A-D-O  
Got the craze  
Yuh nuh see a straight woman a man a blaze  
Star bwoy every gyal love we ways,  
Fyah weh wi blaze  
Dem feel it fi months, and fi days  
Jordan mi neva sing a song fi di summa yet  
Mi did wah the bentley the range and the humma set  
Di white bike ah tek off like ah fyah jet  
Why I bet next year mi haffi buy a jet  
A mansion party and every gyal  
smooth up and look like barbie doll  
Bachelors house so u must loose u gal  
Mi confuse u lady, she want me mi see  
Through yuh gal  
Call di hotel fi make my reservation for my Final destination  
Mi a bwoy naw change my direction cause di gyal dem draws fi fly  
Every soundman every radio station black girl white girl every nation  
Mi have di gyal dem inna coroption inna di mansion in the sky  
Mi seh yuh betta enjoy your life  
Cause yuh only live this once  
U know yuh nah live twice  
(wooh noo noo)  
Feel like I'm in paradise  
With all these sexy girls around mi  
Mi girls them surround mi  
Chillin in the shade  
A glass of lemonade  
Quenchin' mi thirst,  
My haters feelin' worse

Work so hard and enjoy di fruits  
of dem labour  
Nuh business bout mi neighbor  
Partyin' forever  
Ya hear mi everybody waan run summa,  
Yuh nuh si mi hot, mi ah done summa ( eh, eh! )  
Every gyal ah gi it weh is a bun summa  
Mi - Mi a de numba one stunna  
Call di hotel fi make my reservation for my Final destination  
Mi a bwoy naw change my direction cause di gyal dem draws fi fly  
Every soundman every radio station black girl white girl every nation  
Mi have di gyal dem inna coroption inna di mansion in the sky  
Ya hear mi everybody waan run summa,  
Yuh nuh si mi hot, mi ah done summa ( eh, eh! )  
Every gyal ah gi it weh is a bun summa  
Mi - Mi a de numba one stunna  
Call di hotel fi make my reservation for my Final destination  
Mi a bwoy naw change my direction cause di gyal dem draws fi fly  
Every soundman every radio station black girl white girl every nation  
Mi have di gyal dem inna coroption inna di mansion in the sky
