

# I'm Gonna Teach You

[Daniel Romano](#)

"I know what you did" she told me  
And I know that you lead her astray  
And I know that you hurt her in more ways than one  
And I know what I'm doing today  
Cus' I know the low places you're drinking  
And I know that you'll be there alone  
And I know that she begged me to leave it  
But there's a lesson you can't learn on your own  
And I'm gonna teach you what happens to someone that hurts like you do  
And you, you're gonna feel all the pain til' all of your feelings are through  
I'm gonna teach you  
I'm gonna teach you  
I'm gonna teach you  
I'm gonna teach you
