

# Now I'm That Bitch

Livvi Franc

Mr. 3-0-5

Putting it down with the Queen Livvi

But I ain't gonna call you Livvi

Pero Mamita, why don't you let them know who you are?Hi, my name is

You won't remember

Wait 'til December

'Cause you thought that I was pure as snow

Guess you didn't knowHold tight, surprise

Open your eyes, it's springtime

Flowers blossoming, I am one of them

Bet you like how I've grown'Cause now I'm that bitch

You'll never get to, uh

Can't get what you want

So you're acting like a punkYou were too fly then

So fly away now

Now I'm that bitch

And you're just a clownWhy should I even remember?

Back when you blanked me

To put it frankly

But now, I'm back

I'm not attracted

And you're not getting none'Cause I'm not for the takin'

I'm not a bender

Return to sender

I'll laugh at you

Even asking to

To get with me tonight'Cause now I'm that bitch

You'll never get to, uh

Can't get what you want

So you're acting like a punkYou were too fly then

So fly away now

Now I'm that bitch

And you're just a clown'Cause now I'm that bitch

Now I'm that bitch

Now I'm that bitch

And you're just a clownNow I'm that bitch

Now I'm that bitch

Now I'm that bitch

Yeah, look at me nowYou passed me by

Never looked twice  
Now I'm the chick  
You wanna be with Isn't it so funny now?  
I'm the one to shut you down  
Don't worry girls  
If he didn't notice you, yeah  
Soon he'll be beggin' to Oye, mamita, calmate, I feel ya  
We all get burned  
Those who survive are the ones that learn If it don't kill you, make you stronger  
Pero no te ponga como una chonga  
Even though I ain't gonna lie  
It turns me on a little bit when you act like a bitch Mama, I know what you went through was hard  
But the biggest bitch is karma, let her do her job  
(That's right)  
Don't even stress these clowns  
(Nope)  
Baby, you a queen  
Here's the crown Enjoy yourself, you independent now  
(That's right)  
They lose, and you winnin' now  
(That's right)  
You a shootin' star  
Now let them know who you are 'Cause now I'm that bitch  
You'll never get to, uh  
Can't get what you want  
So you're acting like a punk You were too fly then  
So fly away now  
Now I'm that bitch  
And you're just a clown 'Cause now I'm that bitch  
Now I'm that bitch  
Now I'm that bitch  
And you're just a clown Now I'm that bitch  
Now I'm that bitch  
Now I'm that bitch  
Yeah, look at me now
