

I Think About You

Collin Raye

Everytime I see a woman on a billboard sign
I think about you
Saying, "Drink this beer and you'll be mine"
I think about you
When an actress on a movie screen
Plays lolita in some old man's dreams
It doesn't matter who she is, I think about you
When I see a pretty woman walking down the street
I think about you
Men look her up and down like she's some kind of treat
Oh I think about you
She wouldn't dare talk to a stranger
Always has to be aware of the danger
It doesn't matter who she is, I think about you
You eight years old, big blue eyes and a heart of gold
When I look at this world, I think about you
And I can't help but see that every woman used to be
Somebody's little girl, I think about you
Everytime I hear people say it's never gonna change
I think about you
Like it's some kind of joke, some kind of game
Girl I think about you
When I see a woman on the news
Who didn't ask to be abandoned or abused
It doesn't matter who she is, I think about you
You eight years old, big blue eyes and a heart of gold
When I look at this world, I think about you
And I can't help but see that every woman used to be
Somebody's little girl, I think about you
You eight years old, big blue eyes and a heart of gold
When I look at this world, I think about you, I think about you
Oh, I think about you
Yeah, I think about you
