

And You Tell Me (Demo)

[a-ha](#)

Please don't hurt me, I have told you
All my love is all I've got
And tomorrow is the day
When I for your sake
I'm coming back And you tell me that I don't love you
I'm trying hard to make you jealous
Trying harder to make you stay
Days are long and nights are crazy
It's so strange when you're away And you tell me that I don't love you
Because I love you I will show you
All the faces my love can have
So please, let me come to you
And stay this time And you tell me that I don't love you
Oh, you know
That it's just not true
