Who'd Have Known

Lily Allen

it's five o'clock in the morning,
the conversation got boring
You said you're going to bed soon
So I snuck off to your bedroom

And I thought I'd just wait there
until I heard you come up the stairs
And I pretended i was sleeping
and i was hoping you would creep in with me.

You put your arm around my shoulder,
And it was if the room got colder
And we moved in closer together
and started talking about the weather

You said tomorrow would be fine
And we could watch a place in the sun
I didn't know where this was going,
when you kissed me

[CHORUS]
are you mine? are you mine?
Because I stay here all the time
Watching telly drinking wine.
Who'd have known? who'd have known,
when you flash upon my phone,
I no longer feel alone.
No longer feel alone.

I haven't left you for days now,
And I'm becoming amazed how
you're quite affectionate in public
In fact your friend said it made her feel sick

And even though it's moving forward,
there's just the right amount of awkward
And today you accidentally called me baby

[CHORUS]

[2ND CHORUS]
Let's just stay, let's just stay.
I wanna lie in bed all day
we'll be laughing all the way

You told your friends.
They all know,
we exist but we're taking it slow.
Now let's just see how it goes.
Yeah, let's see how we go.

[CHORUS]
[2ND CHORUS]
