

# Whistle Bait

## Hellbilys

I see that gal comin' down the street  
all decked out in her dress so pink  
with her eyes so blue  
and her hair so gold  
she's whistlebait, she's the one for me  
she's whistlebait ah ah ah ah ah she's the one for me  
Her heels are clicking as she walks by  
her dress so pink sure fills the eye  
and I'll bet if you look inside  
she's whistlebait, she's the one for me  
she's whistlebait ah ah ah ah ah  
she's the one for me  
She's the woman that I love so  
when she stops to powder her nose  
All te fellas just go whoa!  
she's whistlebait, she's the one for me  
she's whistlebait ah ah ah ah ah  
she's the one for me
