

Crucified With Christ

Commissioned

You think that no one understands
When you don't feel strong hey
I got an answer for you
There's a way that's light and easy, it's true He knows when you fall
So get up and go on
And I want you to know that you don't have to go all alone CHORUS Even with tears in your eyes
Count it all joy until the time
Until you make it through the storm
Turn from your past say, say goodbye
Remember you were crucified with Christ
You were crucified with Christ Yea oh yea, so let the weak say I'm strong, yea yea
So read the word renew your mind oh, oh When they tried to remind you
The road you use to travel
Can be a distant memory, You decide The wind and the waves, Stare you in the face
Put on your armor, And don't run away
I know that Jesus is there
So just cast all your care, It will be alright BRIDGE And when you know you got a weakness
He will be strong, On that day you will say
You belong in the presence of the Lord
So let Him reign
Let Him reign
Let Him reign in your heart, in your heart CHORUS
They nailed him in his hands
They pierced him in his side
Put a crown of thorns on his head for you and me
He was crucified, he was crucified
So you and I can live, that's why I'm
So grateful, I'm so glad that he took my place
Brothers help me say
You were crucified with Christ, yes you were
