

Til a Tear Becomes a Rose

John Prine

Darlin', I can see the clouds around you
And in your heart I know a sorrow grows
But if you weep, I'll be right here to hold you
'Til each tear you cry becomes a rose
Dearest love, I know your heart's been shattered
And all my words can offer no relief
But my love will heal the pain you've suffered
And I'll be here if you should turn to me
Darlin', I can see the clouds around you
And in your heart I know a sorrow grows
But if you weep, I'll be right here to hold you
'Til each tear you cry becomes a rose
In deepest night when memories tend to gather
Lay with me and put your fears to sleep
'Cause there's no pain, no dream can put asunder
All the love that binds us, you and me
