

# Good News

## Vanessa Bell Armstrong

We come this far by faith  
Pick up ya paste and don't you be late  
Im here to tell you about the Good News  
There's something about the path that we chose yall'  
Wisdom has build this house now integrate' well bring your pride out  
If you now how to pray the situation prayer is the answer there's no doubt

{Chorus}

Monday we held it together and.....  
Wednesday we had stormy weather and.....  
Friday we prayed it all better and.....  
Sunday we heard the news.....

He want stop blessin' you what he'll do is keep testin' you  
And i begg there's no less than you cuz' one day it could be you  
So getcha' hopes for some church yall' some good music and some prayer service want hurt yall'  
Even if you dont belive in the preacher there's gonna' be a few things he can teach you

{Chorus}

Monday we held it together and.....  
Wednesday we had stormy weather and.....  
Friday we prayed it all better and.....  
Sunday we heard the news.....{Repeat \*2}

These are the cracous time need to be walkin' with a made up mind  
Nor by faith or by sight then all your battles you now he'll find  
The sky changes colors and there's many ways  
The world is gonna' be a better place someday loving unity and you just belive  
And all fyou blessings he will resive

{Chorus}

Monday we held it together and.....  
Wednesday we had stormy weather and.....  
Friday we prayed it all better and.....  
Sunday we heard the news.....{Repeat \*2}

God nows some of yall came out here with some problems  
But i came here to tell you all you gotta' do is give it to the Lord  
I don't care what you let your house and your car but if you learn how to pray  
It said men are to all always pray and not faith yeah i dare you to get up on your feet  
And say yeahhhhhhhhhahhhhhhhhhh  
Prayer still works

{Chorus}

Prayer still works {Repeat \*4}

I like this now you might be standing next to somebody and you don't now what they've been going through  
But one day when i think about the goodness of jesus wooo Im about to have chruch right by myself I want you  
to left your voice and talk to the person next to you and grente them that prayer still works

{Chorus}

Prayer still works {Repeats \*4}

Prayer {Repeats \*16}

Prayer still works
