

Giga Dance

Deerhoof

I sleep in angel's feather's heaven bed
Don't say goodnight
Far away, nervous face
I hiss at the Milkman's king Giga Dance, Giga Dance
Giga Dance, Giga Dance
Giga Dance, Giga Dance Mind the steps, steal his eyes
Under pale dim lights Let's escape, end the feast
Home is better than it seemed Giga Dance, Giga Dance
Giga Dance, Giga Dance
Giga Dance, Giga Dance
