

# Concrete Shoes

## Plasmatics

We Know You Lied  
You Thought I Died  
They Set The Trap  
Your Phone Was Tapped  
We're Watching You  
We Know What You Do  
It's Murder See  
In The First Degree And Now It's Time Concrete Shoes  
Pay Your Dues  
Special Concrete Shoes An Overdose  
Mixed In My Drink  
I Found The Bottle  
By The Sink  
And Now You're Here  
You're All Alone  
We Cut The Wires  
To Your Phone
