

Mexican Wine

Bhi Bhiman

He was killed by a cellular phone explosion
They scattered his ashes across the ocean
The water was used to make baby lotion
The wheels of promotion were set into motion
(chorus)

But the sun still shines in the summer time
I'll be yours if you'll be mine
I tried to change but I changed my mind
Think I'll have another glass of mexican wine
She lived alone in a small apartment
Across the street from the health department
She left her pills in the glove compartment
That was the afternoon her heart went
(chorus)
And the sun still shines in the summer time

I'll be yours if you'll be mine
I tried to change but I changed my mind
Think I'll have another glass of mexican wine
Think I'll have another glass of mexican wine
I used to fly for United Airlines
Then I got fired for reading high times
License expired in almost no time
Now I'm retired and I think that's fine
(chorus)

Because the sun still shines in the summer time
I'll be yours if you'll be mine
I tried to change but I changed my mind
Think I'll have another glass of mexican wine
(repeat 2x)
Think I'll have another glass of mexican wine
Won't you have another glass of mexican wine
