Inertia

The Wonder Stuff

Ohh, where does river end?
Aah, where does journey find friend?
Ohh, where does river end?
It just keeps on moving.
No, it's not a boy's name,
No, it's not a girl's name,
Inertia, I'd call my child all the same,
so (s)he'd keep on moving.
Don't let your feet stick to the ground,
when everyone else is moving all around,
Don't be stationary or laden down,
just keep on moving.
Don't try to tell me that your feet are made of lead,
Two choices, hang back or get ahead.
Lead the pack, get it in your head to
keep on moving.
Ooh, inertia.
