

# No Good

## Oneohtrix Point Never

No good  
Cause I let you down  
No good  
Im gonna leave town I know  
I need you so bad  
So  
Im fuckin so sad Party  
Zero  
Tell me  
Why  
A king? Nothing  
You can die, fuck it  
No god  
No shame  
No god  
No good
