Fall Back 2U

Chromeo

Let's find the feeling once again
'Cause maybe you and I just can't be friends (ohh yeah)
Let's ride the freeway 'til the end
When loving is so good you can't pretendI know I left you hanging
But I'm a right my wrongs
I'm gonna write you love letters
Like I wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do to fall back 2UYou ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try
You ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try, oh babyLet's finally figure it out
If there's a problem we can air it out
I can't stand to be in a relationship when it stops
If we hit a wall, then watch
That could give us something to talk about
I could be there to catch the ball when it dropsI know I left you hanging
But I'm a right my wrongs
I'm gonna write you love letters
Like I wrote this song
Gonna put a plan together
Gonna put it all in motion
Every single thing I gotta do to fall back 2UYou ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try
You ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try, oh babyIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry

Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeIt's never too late to try
I never wanna make you cry
Our love's too great to attenuate
So let's not say goodbyeYou ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try
You ought to know I had a lot, a lot, a lot, a lot on my mind (oh yeah)
But it's never too late to try, ooo oooA lot on my mind oh yeah
But it's never too late to try, ooo ooo
A lot on my mind oh yeah
But it's never too late to try, ooo ooo
A lot on my mind oh yeah
But it's never too late to try, ooo ooo
