Sometimes We're In Love

Spencer Teeter

It wasn't all that long ago,
When you and I agreed, that maybe it just aint' right
Now that I'm falling, your following me down
Again...

And she don't like when she's got too much on her mind
She'd rather save it for a rainy day, and that's just fine
Never thought I'd find a love like you
Though your words, they contradict, everything you do

There's not much else that I can say
Go on and give yourself away

Sometimes we're in love,
But sometimes I can't stand her.
Spin me 'round in circles
Just to figure it out again

Sometimes we're in love,
And when I hold her hand
Can't help but feel
That everything, is gonna be okay. So I guess I'll stay.

Sometimes she makes me sweat inside
Sometimes she makes me Bleed
Sometimes she disappoints me
But sometimes she's all I need

Never thought I'd find a love like you
though your words, they contradict, everything you do

There's not much else that I can say
Go on and give yourself away

Sometimes we're in love,
But sometimes I can't stand her.
Spin me 'round in circles
Just to figure it out again

Sometimes we're in love,

And when I hold her hand
Can't help but feel
That everything, is gonna be okay. So I guess I'll stay.
